

VIRTUAL VISIT PRICING 2024-2025

VIRTUAL VISITS ARE A WONDERFUL WAY TO CONNECT ACROSS THE MILES.

In addition to the main presentation, Q&A, and interactive draw-along, students get a peek at my studio—and sometimes my birds!

There are three virtual options available this year:

1. SINGLE VIRTUAL PRESENTATION

You can choose any in-person presentation session as a virtual presentation, and it'll be almost like we're in the same room together. Each presentation is 45-60 minutes.

Single Virtual Presentation = \$600

2. FULL-DAY VIRTUAL VISIT

Similar to an in-person visit, a full-day virtual visit includes three group presentations—as well as a small group session (i.e. lunchtime chat with a group of special readers/writers/artists) if desired. Each presentation is 45-60 minutes, and is designed for grades Kindergarten through Sixth Grade. You can choose any combination of in-person presentations for our virtual full-day visit.

Full-day Virtual Visit with 3 Presentations = \$1200

3. 30 MINUTE VIRTUAL Q&A SESSION

A 30 minute live virtual Q&A works best for a classroom or one grade level after reading BEATRICE ZINKER, UPSIDE DOWN THINKER together. This is a relaxed session focusing on student questions with no prepared presentation. The full 30 minutes can be devoted to Q&A, or 10-12 minutes can be reserved for a student draw-along time.

30 Minute Virtual Q&A Session = \$350

If you are interested in reserving a date or session, or would like more information about author visits, please email me at shelley_johannes@yahoo.com with AUTHOR VISIT in the subject line. I'd love to connect with your students!
